

Ms. Spencer's Sixth - Grade Class

Welcome to Sixth Grade!

- I will introduce you to sixth grade.
- Please make sure to fill out the **BLUE Student Information sheet** that was sent home and return it as soon as possible .

All About Me

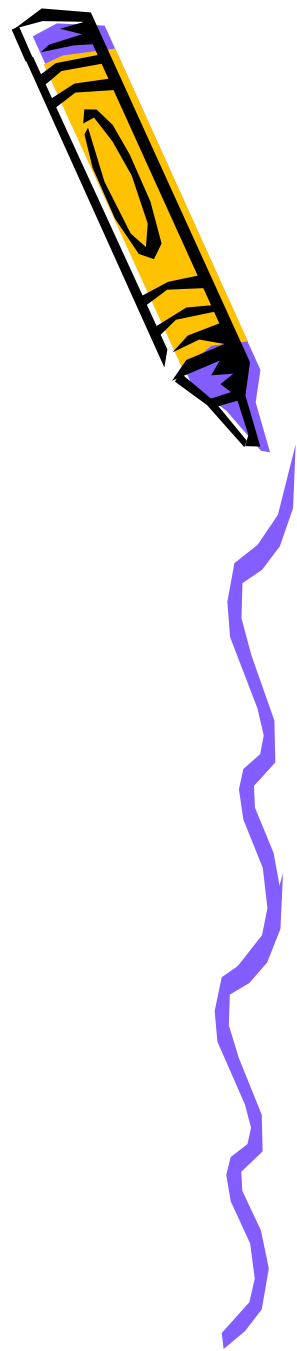

- My background
 - I grew up in Highland, Utah
 - I am a graduate of Alpine School District
 - I graduated from Utah Valley University
 - It is my 12th year teaching at Cedar Ridge Elementary and I LOVE IT!

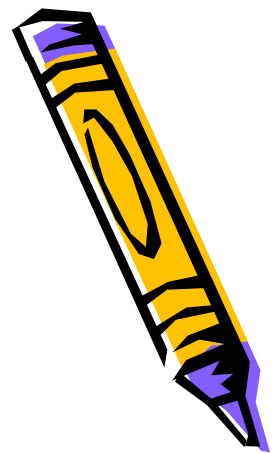

SIGN-UPS on Google form

- Parent Volunteers
- PTA Volunteer

DISCLOSURE INFORMATION

- Please read the attached disclosure document.

Homework

- Math Monday-Thursday Occasionally Friday
- Reading every night for 30 min
- Occasional Writing assignments
- Required Reading
- Occasional test prep for social studies, science or math
- Planners/ Check Skyward
- Unfinished classwork

Aleks

- 8 topics learned weekly
 - At home or at school (based on time availability)
 - This is a great way to practice math we are learning in school and for students to go at their own pace through the math concepts

Sixth Grade Activities

- Ancient library from U of U
- Clark Planetarium
- Rockets
- STEAM Activities
- Space Camp
- Graduation
- NOVA
- Dance
- Aquarium

****All of these activities and more are paid for out of your \$25 donation.****

Cougar Crew

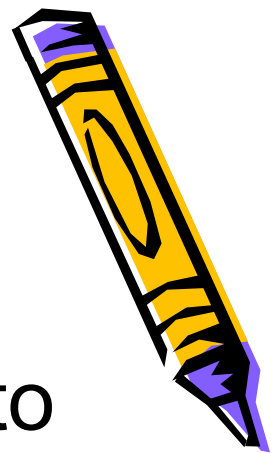

- Cougar Crew is a leadership program that we started last year.
- Students that are asked to join the Cougar Crew will be leaders in the classroom, as well in the school and given additional responsibilities.
- The Cougar Crew will rotate, this gives more students the leadership opportunity.

Additional Information

- To actively observe grades, log on to Skyward. (Updated weekly)
- Google Calendar includes homework and due dates. Access through my class website below.
- Bi-Monthly emails
- All of this is on the class website
